

GBM Gift Scheme

What gift will you buy someone you love this year?

In this rampant consumer Society more and more people are becoming concerned about how they spend their money and what to buy loved ones for birthday or Christmas, when so many of us have all we really need.

Many now seem to be attracted to buying school uniforms or animals for the poor in third world countries and sending a card to the friend or relative saying how the money has been spent.

GBM has now launched our own scheme enabling supporters of the Mission to make a special contribution to the spreading of the gospel.

There will be a variety of areas that will be covered by the scheme for example;

£15 will buy **10 Preachers Study Papers** used by many pastors in the third world, who do not have the resources many enjoy in this country. (see below)

Then there are Radio programmes:-

£25 will pay for a **15 minute broadcast** to many parts of Africa both with our English and French programmes.

£50 pays for a **15 minute programme** to India.

There will also be opportunities to support Church planters and Relief work in India

So when you are struggling to know what gift to buy this Christmas what could be better than something to help to bring the message of salvation to the many millions dying without having even heard the gospel.

Cards can be obtained on an ongoing basis from Mission Centre or, of course, you can use your own and simply enclose a certificate which says what you have done.

**Contact Mission Centre for cards to use
with the scheme – all cards are made by
People being helped by GBM missionaries**
